

IAA Committee Meeting 20090318

Present : Conor, Dave, Steve, Keith

- Affiliations
 - 4 complete affiliation applications are discussed.
 - Dave suggests that the names of potential affiliated be redacted from the minutes.
 - It is agreed.
 - It is also agreed that affiliation will be per-company, rather than per site. All sites run by one company will then have to be compliant.
- Affiliation media plan
 - Dave doing plan for announcements of upcoming affiliations, working with new affiliates on media.
- SAC
 - Mail sent to SAC asking for clarification of location/insurance/permission. Sent last week and re-sent to different address this week.
 - PM sent to organisers this week also, no response.
 - Evidence has been sent to Coillte of skirmishing on Coillte land near Cullyfad in longford.
 - No response from SAC
- Additional PR3 prep
 - Will contact Stena line beforehand.
 - Steve has Irish flags for cars.
 - Generic subdued Irish flags? Possibly not a lot of time before the event, this never really got off the ground.
 - Will look at sourcing a banner beforehand.
- MPB
 - Conor to setup another DoJ mtg.
 - We want a process for dealing with people selling hot guns.
- Discussion of disciplinary procedures for non-compliant retailers.
- Chamber of Commerce
 - Alan Concannon has been contacting us re:meeting.
 - Will put our stuff together on who votes/what a business is/etc. Possible meeting next week.
 - Steve will ring Alan tomorrow.
- Disciplinary Board/Blacklist
 - Legally needs to be done under the auspices of the IAA.
 - Steve will put together something and bring it to the interested folks.
 - There is a lot of work in this - it needs to be driven by a separate group of people, or a subcommittee, under IAA framework.
- Finances
 - Steve contacting an accountant to sort out our tax liability as discussed at AGM.
 - Discussion of membership drives, etc. Lots of staunch IAA advocates are not even members.
- Legal
 - BB Showers/Grenades
 - Testing of 2 BB shower grenades (co2)
 - One was fine
 - The other (one designed to fire paintballs) is definitely not fine.
 - External Co2 regulators
 - Some discussion of regulators.
 - If a tool is required to adjust your regulator, is it mechanical alteration?

- DoJ to be consulted
- Official Association Chronograph
 - www.shootingchrony.com
 - Keith has priced it at 200 euro and change to get one shipped.
 - Need to contact affiliates, source funds somewhere for this.
- Coillite
 - Conor will call Coillite to follow up with Steve's calls.
- Olivia Mitchell
 - Still wants to meet us
 - Will set up some time in April
- Customs
 - Still trying to get Garda Ballistics contact info.
- Volunteers
 - Have had a number of people interested in helping out.
 - Project list to be finalised.
 - Possible meeting of interested people
